Fall City, Washington

OVERVIEW

The NWNHC Family Fund was founded to help families in need experience the healing power of the horse without worrying about the costs. The fund supports young people and families with equestrian scholarships and subsidizes lodging, meal and professional services fees for Warrior Family support programs, equine-assisted therapy and family team-building events. It relies on your love and generosity.Camp Day|Summer|Retreat|Equine Therapy Programs>Equine Facilitated Learning|Equine Therapy Programs>Veteran|PTSD|Trauma|Volunteer Opportunities
