OVERVIEW

This one checks ALL the boxes!! An exceptional 10-acre equestrian estate with Mt. Rainier views, designed for horse enthusiasts, hobby farmers, or anyone seeking space, beauty, and versatility. Enter through custom wrought iron gates with stone columns and onto impeccably maintained grounds framed by mature landscaping and wide-open pastures. The tastefully updated 3-bedroom home blends comfort & luxury with a chef's kitchen featuring high-end stainless appliances, granite countertops and custom tile back splash, open living spaces, and a spacious owner's suite with fireplace, spa-inspired bath, huge walk-in closet, and French doors which leads to a private patio with hot tub. A finished 1,000sf detached art studio with ¾ bath extends your living space, and adds flexible area ideal for a home office, gym, bonus room or your creative needs! The 8-stall show barn features power, water, tack room, and feed storage, while the 160x75 outdoor arena offers all-weather footing &...
