OVERVIEW

Axiom Equine An equine facility providing interpersonal communication workshops for individuals, families and teams working towards achieving synergism within lives and relationships.ax·i·om /aks??m/ noun: a statement or proposition that is regarded as being established, accepted, or self-evidently true.Creating Stronger Self Awareness Interested in learning more about how you can access a deeper capacity for your own unique courage, strengths and ability to trust? We offer our services to a wide array of individuals and teams. We specialize in leadership development, team building and improving inter and intra personal communication skills. Our work with the non-profit sector has included organizations such as Domestic Violence Survivors, PTSD Survivors, Autism, At Risk Youth. AXIOM EQUINE Interpersonal Empowerment Workshops help people recognize the signs and symptoms of unconscious gaps between their intentions and their actions. Those who choose to participate in our workshops will engage in a powerful and direct experience with our horses…
