OVERVIEW

Battlecreek Outfitters Aprons are hand made in Preston Idaho by Jason and Barbara Bunderson.When Jason was at Farrier School he couldn't find a light weight, durable apron, so he did what any red blooded American would do, he went and made one.Combining Jason's knowledge of the Farrier industry and Barbara's craftsmanship and skill with a needle an idea was brought to life.See our website for additional information.Farrier|Trimmer Supplies|Products
