OVERVIEW

Roxanne Baxter of BCR Horsemanship LLC (Baxter Creek Ranch Horsemanship) is an all-around trainer and riding instructor for many breeds, with an emphasis on kind horsemanship and no shortcuts to real communication, while using natural horsemanship techniques. Roxanne takes the time to work with the horses where they are at in terms of their mental, emotional and physical state. She works on finding out who the horses are, how they communicate and what they would like to do in their time with humans. She spends time on guiding, not forcing the horses. Building trust and confidence for both horse and rider is Roxanne's main goal with each client. The majority of the clients and horses that she works with have gone through some sort of trauma and need help coming back to finding relaxation and enjoyment either with the human or with the horse.
