#### OVERVIEW

Blaze magazine is every child's ride into the wonderful world of horses. Kids who like horses, love Blaze magazine. Now in its 10th year, Blaze combines the mix of entertainment and education that kids look for in magazines and websites. Kids want creativity and challenge, and they want to have fun. That's the Blaze difference ... an interactive magazine that keeps the fun in horses and learning. Geared for kids aged 8 to 14, the magazine is published quarterly.
