OVERVIEW

About Us Mark and Lee Bolender, founders of the International Mountain Trail Challenge Association (IMTCA), are prominent clinicians and ambassadors of Mountain Trail, traveling worldwide to share their expertise and passion for the sport They offer a fun and challenging mountain trail experience that encourages riders to push their limits and develop their skills Craterview Horse Park, formerly known as Bolender Horse Park, is a renowned Mountain Trail course considered the finest in the world. Mark Bolender, a master course designer, has used this model to create mountain trail parks throughout North America and abroad. Now, Mark and Lee are based at Craterview Horse Park in Silver Creek, Washington, where they offer clinics, lessons, and mountain trail challenges for equestrians.
