#### OVERVIEW

Buffalo Lake is conveniently located 30 miles north of Spokane. With the private fish-filled lake backed up to National Forest and timber land. We are new and growing, we now offer Teepee rental, RV, and tent space. This is a dry camp with a Porta Potty. Currently camping with horses is primarily tie out or high line, with the option of an electric tape paddock area. We are pet friendly, however, we ask that you share details of your four-legged friend before you arrive. "We had an amazing time and enjoyed our camping spot! Thank you" - Sabrina T. "Thanks for letting us play in your backyard. It was amazing!" Jodi R. "This is the most beautiful and peaceful place to ever have a wedding or just to have the time of your life with your family. Would recommend to anyone, especially if you are wanting an outdoor..."
