#### **OVERVIEW**

Butlerhill Equestrian Center is a completely remodeled Training and Boarding facility with lots of extras. We are conveniently located only a few minutes from Mount Vernon and just off the I-5 corridor. Combined with the friendly and professional service from owner/manager, Cindi Pendel, along with her many years of experience caring for horses. We are a facility that many visit, enjoy and stay. Cindi has been involved in the equine industry for more than four decades and during that time she has gained a wealth of knowledge. Cindi has been training people and horses through the use of obstacles for over 25 years. Using obstacles is great tool in helping people to understand the way a horse learns and thinks. And with that understanding of the way a horse thinks they are easy to train. Black and white, horses have no grey areas and teaching them to do obstacles is...
