#### OVERVIEW

CW COLORED-PERFORMANCE HORSES is a Show Barn in North Spokane. We show multiple associations and breeds at every level through World Shows. English, western, halter, SMS, trail, Ranch riding/pleasure. Offer Full or Partial Training & individual or group lessons. Our clients say it best. I had my horse in show training (all around events) with Candi off and on for a few years. She trains for modern movement and is effective at communicating with horse and rider. I trusted my horse to receive the best care and was not disappointed. Riding and showing with Candi and her clients was a lot of fun - a good group of people! - Mandi F.
