#### OVERVIEW

I focus on single-family, golf communities, view & waterfront properties, homes on acreage or Equestrian Lifestyle properties primarily in Pierce County, southern King County, southern Kitsap County, northern Thurston County, and occasionally Mason County in Washington. I have an extensive agent referral network around the Pacific Northwest in OR, ID, MT, NV, NM, CA & AZ as well. When you need an REALTOR anywhere in the United States, I pledge to refer you to only THE VERY BEST. Let a horse person sell your equine property or help you find your dream home!
