Location
4508 Main Street
Union Gap, Washington

OVERVIEW

The Museum tells the story through 29 covered buildings & more than 15 acres of displays & exhibits. Its park like surroundings are home to multitudes of horse drawn equipment, early mechanical farm machinery, antique tractors, farm tools, farm equipment & homestead exhibits. The agricultural museum is designed to display large farm equipment in informative exhibits & in some cases actual operational representation exhibits.See our website for additional details.Museum|Exhibits
