**OVERVIEW**

Cheval Liberte have been designing, developing and producing stalls, stables and stable equipment since 1995. Driven by their passion for horses, Cheval Liberte was founded by both riders and breeders and since 2005 this passion has been implemented in the UK, with our North Wales company being the sole importers of Cheval Liberte products for distribution and erection throughout the UK & Ireland. Designed in close cooperation with engineers, our products collaborate safety, functionality, robustness and aesthetics to achieve superior construction and use, prioritising your horses comfort 100% of the time.
