OVERVIEW

The goal at Chrome Horse Boutique is to provide the members of our equine and canine communities with high quality, custom tack and accessories for both them and their four legged partners. We create our artisan goods for the love of our animal companions, who undoubtedly deserve the best, and for their human counterparts who want to give them that. We only use the best materials in our range of products. All our beaded browbands, dog collars, spur straps, and halters are genuine leather and padded for maximum comfort. The beads are hand stitched onto our leather wares (not glued) with the utmost care to ensure the longevity of the pieces we create. The beads on all of our products are high quality glass, semi precious stones and genuine Swarovski crystal elements. Our custom bridle and pet charms are built to last and completely handcrafted to ensure they are up...
