OVERVIEW

Cottingham Farm is an expansive 50 acres features pasture, new fencing with hot wire, and run-in sheds to stay warm and dry in the Pacific Northwest Winter. Not to be outdone by the exterior, the barn has two rows of open ceiling, airy stalls, many with large paddocks that have brand new pea gravel to help protect the horse's hooves. With a large indoor arena, heated tack rooms, and wash rack. See our website/Facebook for details. Boarding Facilities|Instructor|Trainer
