#### OVERVIEW

Countryman Stables has been the premier full service hunter/jumper barn in this area for over 20 years. Offering instruction and training in hunters, jumpers and equitation for riders of all levels, we have classes and programs for everyone. Located on the south end of beautiful Bainbridge Island, we are a short 30 min ferry ride from downtown Seattle. Our students and boarders come from all over Kitsap and King counties. See our website and Facebook page for additional details. [Boarding Facilities](#) | [Instructor](#) | [Trainer](#)
