OVERVIEW

The American Bashkir Curly Horse Registry (ABCR) was founded in 1971 and is the oldest Registry of Curly Horses. The goals of the ABCR are to preserve this rare breed, to promote the Curly Horse as much as possible in shows and in the media, provide education about the special features of the horses, and to protect the genetic pool of the small breed population worldwide. The ABCR is the largest Registry for American Bashkir Curly Horses worldwide.Assoc|Breed Registries
