OVERVIEW

Are you looking for personalized care and peace of mind? Are you looking for a fun place to train and advance your skills and your horse's training? I am a Certified dressage instructor, USDF Bronze medalist, and L judge with 30 years of knowledge and training. I specialize in teaching you to ride your own horse in a fun positive environment. Every horse is different, with different conformation, different personalities, different levels of confidence, trust and history. At Dancing Horse Stables you'll gain a lot of tools and learn to identify the issue/problem in the training and come up with a solution on your own or with me. You'll learn about correct position for the rider and how this can affect the horse. You'll learn about general training guidelines, basics and principles and how to really communicate with your horse. Board is $525 per month. 1 lesson required per week.…
