OVERVIEW

Original designs by Sue Roake, Oregon. Each boot has a tale to tell in where it’s been and what it has endured! Some came from the easy life of the dance floor, others are hard worked cowhide straight from the ranch. Each purse is made from authentic, all leather, vintage cowboy boots.See our website for more information on blanket purses, pillows, cowhide bags, western jewelry and more!Apparel & Accessories>-Bags|Apparel & Accessories>-Custom|Home & Living|Jewelry
