OVERVIEW

Dr. Kellon VMD of Equine Nutritional Solutions, is one of a handful of experts in the field of applications of nutraceuticals for horses. She is an authority in the field of equine nutrition as well as conditions affecting performance horses. Dr. Kellon is the co-owner of the almost 12,000 member Cushing's and Insulin Resistance group on Yahoo. She is owner of Equine Nutritional Solutions, a nutritional consulting firm which also hosts 16 online courses on nutrition and horse care. You will find several books authored by Dr. Kellon that are a must have in the horseman's' library.
