OVERVIEW

Dr. Seelye is devoted to health and healing through non-toxic wholistic/holistic methods while addressing both body and mind. Her approach is effective for the treatment of all medical conditions, behavior problems, and lameness. This is the ultimate in preventive medicine. You too can find the answer to true health and healing for your pet or equine partner. Visit the website for more detailed information about services, testimonials, and access to our Newsflash monthly newsletter. [Alternative|Integrative Medicine>Practitioner|Veterinarian](#)
