OVERVIEW

Dynamic Balance Equestrian is Lyz Rudolph-Michaels, a horse trainer, coach, and animal structural alignment specialist. Lyz works in two ways: teaching people to communicate clearly and effectively with their horses, and working with the horses to help improve their performance, comfort, and freedom of movement. Dynamic Balance clients are people who are willing to do what it takes to have happy, healthy horses. The result of our work is enhanced relationships between people and horses. Lyz resides in Victoria but works in Metro Vancouver and Fraser Valley every other Friday. Instruction|Riding-Training Tools|Aids|Instructor|Trainer|Alternative|Integrative Medicine>Practitioner
