OVERVIEW

Emerald Valley Natural Health has been caring for horses (and dogs) for over fifteen years. Emerald Valley offers the highest quality and reliable herbal supplements and topicals, specialty feeds, treats and mashes. Our products have become highly recommended and regarded by veterinarians, nutritionists and farriers. Our herbal solutions are made with purified water, under strict batch control and quality guidelines, in an FDA registered/audited facility. There is no alcohol, sugars or fillers added, only the natural herbs that help invigorate the horses in your life, naturally! Along with our own line of herbal formulations, we offer internationally known natural feed supplements, including Speedi-Beet, Fibre-Beet and Cooked Linseed. These specialty feeds have been developed and researched by world renown veterinarians and nutritionists. Imported from Great Britain, British Horse Feeds is committed to keeping horses healthy, and provide solutions based on years of research and are manufactured in accredited facilities. Our Beet…
