[Monroe, Washington](#)

OVERVIEW

Our Mission: To provide lifetime sanctuary for the equines we have previously rescued and to remain a voice against all abuse. -Equine Aid has operated at our Monroe location since 1999, receiving 501c3 status in 2008. We assist horses, ponies, mules, donkeys and hinnys. -Our goal is to share these animals with our community: we appreciate volunteers from all walks of life.
