OVERVIEW

Evergreen Equine, based in Snohomish WA, provides high quality vet services, backed by technically advanced diagnostics, delivered right at your barn. Our team of equine veterinarians has developed a reputation for rapid response, compassionate care, advanced equine diagnostics, and a passion for preventative equine medicine. We value your partnership in the education and care of your horses through all stages of life. Whether you have a young growing horse, performance horse, an older companion, or you are breeding mares and stallions, we are here to help you provide the best health care for your horse. We are now offering stud and brood mare programs at a brand new reproduction center located in Silvana, Washington. In partnership with R.O. Lervick Arabians, we can provide a la carte or a full menu of services in a state-of-the-art facility — a clean controlled comfortable environment for the collection, fresh and frozen storing, shipping...
