#### OVERVIEW

We are a small family-owned business located in the rainy but beautiful Pacific Northwest corner of the United States in Snohomish, Washington. We also board a few horses here to keep us down to earth and are involved with 4-H, the coolest youth program on the planet! We've been screen printing since 1985, and in 1999 we added embroidery equipment. We specialize in orders for schools, clubs, businesses and events. Celebrating our 30th Year!~Embroidery Custom
