OVERVIEW

Welcome to Greg Allan's Saddlery, where tradition meets innovation in the art of saddle making and leather working. With decades of experience and a deep passion for craftsmanship, Greg Allan's Saddlery offers a wide range of high-quality, handcrafted saddles and leather goods. Greg Allan Saddlery presents years of experience mastering artistic and technical skills of classic and modern French leather craft and saddle making. We use the highest quality materials to bring you unforgettable handcrafted leather products. We guarantee your complete satisfaction in our workmanship and services. Each item is handmade in our workshop from the finest leather and hardware from the United States and Europe. We understand that our custom saddles and leatherwork are a lifetime investment, and assure that our products are built to last with maximum comfort, style and performance. Custom English Saddles Bridles, Halters, and other tack, customized for your horse. Riding Boots: Zipper replacements and...
