OVERVIEW

All-In-One Revolutionary Bathing / Grooming Gloves. Created by Animal People for Animal People. HandsOn Gloves are a revolutionary concept that reaches far beyond the traditional curry combs, mitts and scrubbers on the market today. Wet or dry, they won't slip or fall off while providing you and your animals with a more thorough and enjoyable bathing and grooming experience. One glance and the value we built into our expertly designed gloves are immediately apparent.Grooming|Bathing Products|Resoucres
