OVERVIEW

Hooves and Paws is a family-owned online equine and pet supply superstore based in Apple Valley, California, serving horse and pet owners nationwide since 1994. We offer thousands of carefully selected products for horses, dogs, and cats — from performance tack, bits, and boots to supplements, grooming essentials, and everyday pet care — sourced from the trusted brands you rely on. As animal owners ourselves, we only stock gear we'd use on our own animals. Orders ship fast from our California warehouse and partner locations across the country, backed by responsive, knowledgeable customer support. Shop at hoovesandpaws.com.
