OVERVIEW

The 3 most important traits a horse can possess are disposition, disposition, and disposition- and Dale definitely has it. He is clearly one of the good guys. DeeDee has had so much fun riding him this year. He has an absolutely amazing, soft, slow lope. He is light in the bridle and moves nicely off your leg. If you are looking for an AQHA Versatility and Ranch Riding partner, Dale fits the bill. He is amazing out on the trail. Every step he takes, he places his feet with care. Dale has been so trustworthy for us that we are confident you will love him as much as we do. Ridden by DeeDee McNabb.
