OVERVIEW

Chex is very easygoing and steady. He will ride off slow or leave at a trot, whichever you ask of him. Chex willingly crosses water and ditches with no problem and rides great alone or in a group. He is an old soul—if you can hold the reins, you can probably ride him! Chex is great outside and fun to lope circles on in the arena. We have used him to trail cows, rope and doctor, and he has even worked through the night during calving season, pulling baby calves into the barn on a sled. Chex has been enjoyed by everyone around the ranch, from my wife, younger brothers and sister to my dad. Ridden by Brac Walker.
