OVERVIEW

Who doesn't love a homeraised horse? With that deep blue color and cow horse blood running through her, Lil Blue is ready to go any direction you want to take her. Ride her for a couple years and breed her, or take her and show her- the possibilities are endless. I take great pride in raising horses that people can use and be proud of, and I believe she is that kind! You don't want to miss out on this beautiful little filly, I truly believe she will add the class and style anyone is looking for. If you're looking for your future good go-to horse, I believe she is it. She will have 15 rides come sale day, and is expected to mature to 14.2 or 14.3hh. Started by Kurt McNabb.
