OVERVIEW

Gator is a well-bred, 8-year-old AQHA gelding that stands about 14.2 and weighs 1100 pounds. Gator has all the tools and athleticism to be the horse you can count on to get the job done. He's got a motor that can go all day, and he is not afraid of a full day's work. Gator is a very handsome, well-built, gentle gelding with the papers to go with it, but does have a big enough work ethic that a somewhat experienced rider would be a better fit. So, if you are looking for a reliable gelding that you can cover big country on, rope, doctor, drag calves to the fire, or just enjoy traveling the countryside on, let Gator be your right-hand man! Ridden by Rydge Collins. FMI Ken McNabb at 307-254-7260 | mcnabbdeedee@gmail.com
