OVERVIEW

2025 Bay colt(name pending) by ELS Scoot A Boo Bill and out of a Royals Diligents and ELS Scottish Nick daughter, Royal Catnick. Everyone loves a beautiful bay, and this colt is no exception. He's good looking now with his conformation, good bone and muscle, and the best is yet to come. His demeanor and temperament make him easy to be around and even more attractive. Looking at the quality of his pedigree, he should be an amazing horse when he is full grown. Another pedigree filled with ranch, arena, and performance horses. Available in October.
