### OVERVIEW

This 2025 gray colt(name pending) is out of Special Playgun Ride, a mare we got from the Woody Bartlett Program and by our buckskin stallion, TCJoe Cotton. He exhibits all the special qualities of his dam and sire shown by the pedigrees he carries. There are unbelievable options in the future for this colt for you to choose from. His conformation, good mind, and athletic ability are just a few things that are built into this colt. He has his whole life ahead of him, it's bound to be a good one. Available in October.
