OVERVIEW

Johnny is a ranch horse with the kind of steady mind and willing attitude everyone hopes to find. Built stout and balanced, he's the perfect size for riders of all ages and experience levels. Safe, dependable, and gentle, Johnny is the type of horse anyone in the family can enjoy with confidence. For the past year, he has been my go-to ranch horse, handling everyday jobs with consistency and heart. Whether it's gathering cattle, checking fences, or covering long miles, Johnny shows up ready to work. He's sure-footed, responsive, and level-headed in new environments, making him reliable both inside and outside the arena. Johnny stands quietly to be saddled and mounted, rides off soft, and has a smooth, comfortable way of going. He's the kind of honest, trustworthy partner that makes every ride enjoyable and every job easier. Ridden by Trent McNabb. FMI Ken McNabb at 307-254-7260 | mcnabbdeedee@gmail.com Hip 26...
