#### **OVERVIEW**

I've had Mr. Ponyman in my string for three years, and he's the definition of dependable. From catching and leading wild cattle in the deserts of New Mexico and Arizona to dragging thousands of calves to the branding fire in Wyoming and Montana, he's covered more country than most pickups. I won Top Hand at the State Fair Ranch Rodeo thanks to Ponyman's handle in the sorting pen. He's not just trained, he's seasoned. He watches a cow, reads a situation, and stays with you when things get tough. Gentle, honest in the bridle, quick-footed, and tough enough to go all day. This is a real ranch horse with brains, bone, and motor- one that steps up when asked and walks off quiet when the job's done. Horses like this aren't made by a program. They're made by miles, work, and trust. Ridden by Trent McNabb. FMI Ken McNabb at...
