OVERVIEW

Consistent, eager to please, dependable, and easygoing is what best describes Sunny. He's willing to do whatever I ask. With a push-button mentality, he's an easy ride for a broad range of riders. He's happy to plod along wherever you put him, and when asked he'll pick up the pace to a steady, smooth jog or a dreamy rocking chair lope. He's packed my twins in the saddle, opens and closes gates, and eases along baby calves. He keeps a level head when it's time to deal with an ornery bull or rope a cow. When doctoring calves, he keeps your rope tight or stands ground tied while you work. His consistency transfers to the arena with smooth, correct gaits and easy maneuvers. When you envision your perfect day in the saddle, I guarantee you'll want to enjoy it looking through Sunny's ears! Ridden by Heather Dufek. FMI Ken McNabb...
