OVERVIEW

Buster is the total package- gentle enough for my Grandma, handy enough for a seasoned hand, and kind enough for her grandkids. He fits every program and every rider, doing it all with a good mind and willing attitude. Built the way a ranch horse should be- stout, strong, and made to last. Sure-footed outside, quiet in the bridle, and the same every ride. Leave him sit, saddle up, and step off with confidence. No foolishness. No surprises. Checking cattle, sorting pairs, dragging calves, riding fence, or covering big country, Buster stays steady and dependable. Need one to take care of the kids? He'll babysit. Need one to get the job done? He's all business when asked. If you've been waiting on one that's safe, seasoned, and solid- one the whole family can ride and the ranch can rely on- don't overlook Buster. Ridden by Trent McNabb. FMI Ken McNabb...
