#### OVERVIEW

Stella is a granddaughter of my great horse Stormy and out of an incredibly gentle mare. I have to say, she inherited all the very best qualities from her family tree! She has been to brandings and has seen the hectic life a ranch horse lives, and for a three-year-old she is unbelievably mature. She is soft and light in the bridle and moves nicely off your legs. This mare should mature to around 14.2 to 14.3 hands, with heavy muscling over her hips and a good, short back. This is a filly we have raised, and I'm confident you'll enjoy her just as much as we do. Ridden by the McNabb Crew.
