OVERVIEW

I bought this mare because I first bought her older brother and liked him so much I ended up buying her mom too. So when Tommie became available, I didn't hesitate. She comes from a strong cutting family and is a true cow-working fool. You can show her in the cutting, put her to work on the ranch, or enjoy a Sunday afternoon trail ride. I led my TRU trail rides on her all last year, and she handled every job with ease. Whatever you choose to do with her, it will be enjoyable. Tommie has a great stop and a nice flying lead change. She has an NCHA show record with money won and is ready to be your next partner. I've owned her since her three-year-old year, and she's been a really cool mare to have in my string.
