OVERVIEW

Enhance your relationships in all areas of life with EponaQuest"! Equine Facilitated Experiential Learning opportunities. Horse Heart Connection provides dynamic classes, private sessions, and phone coaching opportunities expanding human potential by enhancing connectivity with horses, dolphins, and the natural world. Whether you desire positive experiences for personal development or improving leadership skills, Dr. Linda Kingsbury provides a fun and safe space to explore the possibilities of multisensory communication, heart coherence, energy awareness, and authentic community.
