OVERVIEW

For more than 30 years, Horse Illustrated has served the hands-on horse owner by promoting the best in horse management, riding and training for all breeds and styles of riding. Along with our website, www.HorseChannel.com, Horse Illustrated provides the latest horse news plus essential information about equine health, nutrition, grooming and all aspects of horse care plus English and western training solutions, breed profiles and more. Horse Illustrated's in-depth articles come from respected resources and top industry experts. Books, Magazines, DVD & Video | Horse Websites - Digital Magazine
