OVERVIEW

Designed for Horse Owners & Equine Professionals.Created by an expert in equine veterinary medicine with over 20 years of experience, Horse Side Vet Guide™ helps you understand the observations you make of your horse and how that relates to your veterinarian's diagnosis and treatments. Far more than a mobile first-aid app, HSVG contains an extensive list of observations, skills, how-to videos, veterinary diagnostics, diagnoses, treatments, and so much more.Health Care Products|Resources|Horse Websites - Digital Magazine
