OVERVIEW

We're trail riders and horse campers who see the need for better emergency preparedness, whether you and your horses or mules are at home, at the boarding stable, or out trailblazing.Being pro-active and prepared for the unthinkable is the key to making the best of an emergency situation.Putting identification on your equine is the responsible thing to do.I.C.E. Products USA is proud to provide you with safety-focused equine identification gear that will help protect/reunite your horse.Emergency Services|Resources|Freeze Branding & I.D.
