OVERVIEW

We carefully select exclusive dressage horses from all over the world. Our team specializes in developing these equine athletes into world class performers and ultimately matching them with the right partners and homes. Janicki Dressage is dedicated to providing North America with elite horses of the highest quality. Our horses are carefully selected, managed and trained in order to be competitive to Grand Prix for amateurs or professionals. View our website for additional information, photos, and video of available horses. Agents|Brokers Equine
