#### **OVERVIEW**

Jen Verharen Coaching provides high level coaching and training programs for equestrians. We offer customized one-on-one coaching programs and affordable, life changing group training programs designed to help you achieve you goals and maximize your potential in your riding, your business and your life. I partner with you to create simple strategies that allow you to break old, frustrating patterns and excel in your riding, your career and in your equine & human relationships. See my website for more details about me and what I can do for you! Business Services|Products>Consulting|Instruction|Riding-Training Tools|Aids>Rider|Rider Fitness & Related
