#### OVERVIEW

Kim Harris Graphites specializes in custom, 8x10 graphite portraits of your pet. These portraits are created from a photo you provide via email, making the perfect gift for birthdays, graduations, holidays, award ceremonies, or to remember a beloved pet from the past. Pricing options: \$100 for a single pet portrait, \$50 for each additional headshot you wish to include in the drawing. This price includes a protective finishing spray to prevent smudging and insured UPS shipping. Certificates are also available for fundraising raffles or gift baskets. As a fellow animal lover and lifetime owner of horses and dogs, Kim will devote all of her attention and focus to each portrait to capture your pet's spirit and personality. If you have a special project, tight timeline, or any questions at all, please do not hesitate to call or email. Get started today on a memory that will last a lifetime. ...
