OVERVIEW

All LB Arrow Cinch Co. cinches are hand tied out of 100% natural mohair with the option of brass or stainless steel hardware. Shoo-flies can be added to any cinch for an additional cost. The bright and vibrant colors add a modern twist on a traditional art perfected by buckaroos and vaqueros and there's a reason that mohair tack is still heavily sought after! LB Arrow Cinch Co. cinches and breast collars provide comfort and durability made of only the highest quality mohair. Because mohair is a natural fiber it doesn't rub, irritate or gall a horse and provides just a little bit of stretch so your horse can comfortably expand his rib cage. All while providing breathability and moisture wicking comfort to your hard working horse instead of trapping heat like neoprene. Because mohair is natural fiber it doesn't get stiff when dirty and should be cleaned with a...
