OVERVIEW

British Horse Society certified instructor with 20 years experience as a trainer and equine massage therapist. I want you to have the best relationship possible with your horse, and my knowledge of massage, acupressure, biomechanics, stretching, and years of experience training horses can help you reach your potential. No matter your preferred riding style, we can work together to prevent pain, increase performance, and improve the horse-human relationship. Workshops, trainings, pre/post event massage, practitioner mentoring, and more!Alternative|Integrative Medicine>Classes|Schools|Workshops|Alternative|Integrative Medicine>Practitioner
